BUDGET IMPACT

These transfers are keeping within current policy to transfer accumulated funds.

BUDGET ORDINANCE IMPACT

Transfers accumulated funds from Fund Balance Appropriated Account to Ranlo Fire & Rescue.

BACKGROUND

On occasion, funds accumulate in fire district taxing accounts through the realization of past taxes being collected, property revaluation between budgets and account interest earned. This action will transfer such accumulated funds to Ranlo Fire & Rescue. Ranlo Fire & Rescue is requesting to withdraw the money that is in their overage account. The purpose of this request is to use the money to purchase a set of eDraulic Rescue tools to replace our current set of Hydraulic Rescue tools that are in bad shape. The company that manufactured these tools has went out of business, because of this it is hard to find parts and someone to service them. They will also use the remaining money to have mounting brackets installed in two of their engines to properly mount equipment that was purchased after the trucks were purchased.
