2018-173 Commissioner Grant - Fire Marshal - To Approve a Certificate of Need for Spencer Mountain Road VFD, Inc. to Obtain Financing (1,000,000) to Purchase a 2018 Ferrara MVP Pumper (Demo), 2000 gpm pump/1000 Gallon Tank and to Roll the Remainder of their Current Loan into this Loan

Commissioner Grant introduced the motion to approve and Commissioner Hovis provided the second.

Chairman Brown called for discussion.

Commissioner Keigher inquired about the existing loan and the plans to cover the debt.

The Fire Marshal, Mr. Eric Hendrix introduced Chief David Flanary, Spencer Mountain VFD.

Chief Flanary stated the pump failed on their 2001 pumper which would require significant repairs (approximately \$30-40k); their Board of Directors decided against funding the repairs and approved the purchase of a new pumper; the \$1M includes a \$325k existing loan on a 2012 truck which will be rolled into the new loan; the cost of the new truck is in the range of \$685-690k.

Chairman Brown inquired about their fund balance; recalled their last loan was for property.

Chief Flanary responded the truck in question will be sold and will generate \$100k and the outstanding loan for the construction of a new fire station will be paid off.

Commissioner Keigher questioned how the remaining debt (\$685k) would be paid off on the new loan.

Chief Flanary advised it was already in their fund balance; current payments of \$65k/year will roll into the new loan for a combined \$91k which is already allocated in the budget; the VFD will still have about \$27k left over that is pre-appropriated for the construction of the new station.

Commissioner Keigher questioned the source of the funds and the current fund balance.

Chief Flanary advised the monies comes straight from their tax base; this year's approved budget was \$255k; do not think there is any additional funding; that is what has been set aside to move forward for the next fiscal year.

JUNE 26, 2018

GASTON COUNTY, NORTH CAROLINA

Chairman Brown advised that the BOC is trying to figure out the accumulated amount as the loan requests come forth to avoid any insolvency; advised the Fire Marshal that VFDs will need to start providing their fund balance amounts to the BOC for future requests.

Hearing no further comments, Chairman Brown called for the vote, and the BOC unanimously approved **2018-173**.

2018-174 Commissioner Hovis - Public Works - To Finalize and Formally Accept an Offer to Purchase a County Owned Surplus Parcel (PID 155658 located at 1005 Mountain Crest Drive, Kings Mountain)

Chairman Brown called on the County Attorney for a brief overview.

The County Attorney advised this property is a tax foreclosure that is located adjacent to Crowders Mountain Park; it has been through the upset bid process and is now in final form for the BOC's acceptance or rejection per North Carolina General Statutes.

Chairman Brown called for a motion for the purposes of discussion.

Commissioner Keigher introduced the motion and Commissioner Worley provided the second.

Commissioner Hovis advised this is an opportunity to put property back on the tax rolls after approximately 12 years; individual looking at purchasing the property is planning to develop it.

Hearing no further comments, Chairman Brown called for the vote, and the BOC unanimously approved **2018-174**.

2018-175 Commissioner Worley - Public Works - To Accept an Offer to Purchase a County-owned Surplus Property (PID 203783) Located at 2005 Beauhaven Lane, Belmont and Authorize Staff to Initiate the Upset Bid Process Appointments

Chairman Brown called on the County Attorney for a brief overview.

The County Attorney advised this is the first step in the process and by accepting this offer staff will advertise for upset bids and bring back a final offer for BOC to consider.

Chairman Brown called for a motion for the purposes of discussion.

Commissioner Worley introduced the motion and Commissioner Keigher provided the second.

Commissioner Hovis advised that the County is not obligated to sell it regardless of the bid results.

Hearing no further comments, Chairman Brown called for the vote, and the BOC unanimously approved **2018-175**.

2018-176 Commissioner Worley - Sheriff's Office - Appropriation of Additional Funds to House Inmates Out of County for May 2018 (\$33,540)

Commissioner Worley introduced the motion to approve and Commissioner Brown provided the second.

Chairman Brown called for discussion.

Commissioner Worley asked for an estimate on the number of inmates that would be housed outside of the County in July.

Sheriff Cloninger advised as of Sunday, 672 inmates were in custody, 626 are in the main jail and about 50 inmates are housed elsewhere daily; as of today, 598 inmates in the jail and 50 inmates are held in other jails; will look at bringing inmates back if the number stabilizes below 600. He estimated the County will have 700+ inmates in its custody by August; finding beds is becoming an issue; staff sends out statewide requests every Monday and gets very few responses, if any at all.

In response to the original question, Commissioner Hovis estimated the cost for June at \$50k based on numbers the BOC received from the Sheriff's Office; the Sheriff declined to confirm the estimate.

Commissioner Worley advised of the urgency of moving forward with the jail infill project.

Sheriff Cloninger advised the infill would provide 656 beds with no classification. He noted if the County had those 72 beds this past Sunday, the jail would still have been overcrowded by 22 inmates; the infill is only a stop gap and the BOC is going to have to consider building a new facility; will do everything possible to run jail properly and safely; there are 584 beds in the jail with no classification in operation which puts the County in a liability situation.

In response to Commissioner Grant, Sheriff Cloninger advised the infill project plans have been submitted and staff is waiting to hear from the State.

Commissioner Worley advised this may merit a revisit of the ankle bracelet monitoring system to alleviate some of the overcrowding issues without spending millions more.

Hearing no further comments, Chairman Brown called for the vote, and the BOC unanimously approved **2018-176** per Budget Change Request:

Account Description	Account Number	Amount
