BACKGROUND

All children who are suspected victims of child sexual abuse are entitled to a medical evaluation by a provider with specialized training. The Lighthouse-A Child Advocacy Center will contract with a qualified medical provider who will come to the CAC on a regular basis to perform exams.

The Gaston County Child Advocacy Center is fully equipped with a Medical Evaluation room for examinations for child victims. The Lighthouse will contract directly with Kintegra Health, a community sponsored, family-centered provider of health care, health education and preventive care services, who will provide a certified medical examiner for conducting sexual abuse exams for children. The CME will complete examinations in a child friendly manner that is compliant with NCA Accreditation Standards and CME guidelines.
