BACKGROUND

The Gaston County Fire Commission adopted its bylaws and rules of procedure on July, 26, 2022 and has submitted them for consideration and approval by the Board of Commissioners. During the drafting of the by-laws, an error was detected in the membership structure of Resolution 2022-140 for the six (6) Township positions and three (3) At Large positions, which required those members to live in the unincorporated area of the County. Approval of this Board Action request 1) amends Resolution 2022-140 removing the above-mentioned requirement and 2) approves the Gaston County Fire Commission's By-laws and Procedures.
