BACKGROUND

On November 13, 2017, the USDOT published an updated final rule with revisions to 49 CFR Part 40. This regulation is the USDOT's drug and alcohol testing regulation. As a 5311 sub-recipient of FTA funds through NCDOT, there are some required action items to address in response to the updated regulation (49 CFR Part 40). The drug & alcohol policy is required to be revised in order to ensure consistency with the updated regulation.
