BACKGROUND

In December 2019, the Sheriff's Office received 15 full-time positions (Resolution 2019-345) as a result of the additional infill capacity. Funds were appropriated for salaries, benefits, and equipment. The purchase of 15 body-worn cameras will be used by two Deputies and thirteen Detention Officers. The Sheriff's Office began using body-worn cameras, provided by Axon Enterprise, Inc., in 2017.

The justification to purchase additional cameras from a sole source (Axon Enterprise, Inc.) meets the standardization and compatibility condition. Purchasing additional cameras from the same vendor will ensure continuity with all cameras, software, and technical support.
