BUDGET IMPACT

With the \$260 county matched dollars we receive an additional \$2,340 From Centralina Council of Governments Area Agency on Aging. This will give us the opportunity to teach 4 evidence based programs at the Senior Center and other satellite locations. This pays for class materials, supplies, and any additional training that may be required.

BUDGET ORDINANCE IMPACT

These funds are included in the approved FY18 Senior Center Budget. This allows us to provide the evidence based programs at the Senior Center and other satellite locations in the county.
