BACKGROUND

The Gaston County Public Health Department was awarded grant funds from the GlaxoSmithKline Foundation for the Substance Treatment and Rehabilitation Program (STAR). The award is granted as a Child Health Recognition Award for the Public Health Department's efforts to improve the lives of children and their families. The STAR Program addresses the needs of the Mother who is positive for substance use that will have an adverse effect on the mother and newborn. The funds will be used to support the program's special projects, staff development, and educational materials. These are Non-County funds.
