BACKGROUND

The North Carolina Department of Transportation Public Transportation Division affords each community transportation system the opportunity to apply for administrative, operating and capital grant funding. The approved funding is to cover administrative salaries, administrative costs and capital projects, including vehicle replacements. The total funds requested are \$1,023,815, including a local share of \$232,589.

Approval of this Board Action authorizes the County Manager to submit the application, enter into an agreement

with the NCDOT and provide the necessary assurances and certifications, including the required local match.
