### BACKGROUND

The County has previously approved the sale of real property in Apple Creek Business Park and a Level Three Incentive Grant for Project Raven (2019-194). In discussions with the Company concerning the schedule for development and completion of the project it has become clear that the project should be broken down into two separate Level Two Grants. Phase One to be completed approximately by calendar year 2025, and Phase Two to be completed by approximately 2030. The attached resolution will provide for that adjustment to the Economic Development Agreement.
