BACKGROUND

With the assistance of a grant from the Governor's Crime Commission (GCC), the Child Advocacy Center is able to purchase a digital audio and video recording system.   This software and hardware will be used to record victim interviews. Due to no other providers in the area that provides this capability, the Child Advocacy Center requested and received sole source approval from the granting agency (GCC). The Gaston County Uniform Guidance Policy & Procedures requires the approval of a sole source contract when the cost is above the micro-purchasing threshold ($10,000). Approval of this Board Action authorizes staff to proceed with the sole source purchase from Edge One Solutions, Inc.
