BACKGROUND

The Cathy Mabry Cloninger Center intends to purchase a small passenger van to use in transporting community and sheltered survivors for job searches, housing searches, court appearances, medical treatment, and other necessary survivor services or appointments.

Four laptop computers and associated equipment would also be purchased to assist staff members working remotely during the pandemic. With any remaining funding the shelter will replace fabric furniture and porous surface pieces with leather or vinyl furniture and non-porous surface pieces that will improve the ability to disinfect and sanitize the living and working environment.
