### **BACKGROUND**

The Bureau of Justice Grant for a comprehensive site-based program for children impacted by opioid, stimulant, and substance abuse was accepted and appropriated by the Board of Commissioners on 3/22/2022 in the amount of \$899,999. However, the \$899,999 was for the full three years of the grant and the appropriations should have been separate by fiscal year. This board action approves the appropriation of funds for each respective year of the grant.
