### **BACKGROUND**

The Unified Development Ordinance (approved April 24, 2008), sets forth procedures for amendment procedures in Chapter 5, requiring a joint public hearing by the Planning Board and Commission. A recommendation on the amendments is provided by the Planning Board, with final action on said amendments by the Commission, to consider text amendments to Application Number ZTA20-03 Gaston County Planning Board (Applicant), to request the Board of Commission to consider approval of the proposed text amendments to the UDO: Chapter 9 (General Provisions): Section 9.5(A). A joint public hearing was advertised and held on July 28, 2020 with the Public Hearing comments being on file in the Board of Commission Clerk's Office. Planning Board recommendation was provided on the same date, and the Commission is requested to consider the public hearing comment, Planning Board recommendation and other pertinent information, then (approve), (disapprove) or (modify) the zoning text amendments. The proposed amendments reflect clarification of minimum lot width requirements. The Planning Board reviewed the amendments at its last regular Planning Board meeting (02/25/2020) and unanimously recommended to move them to the public hearing process.
